your business is **our** business

Partnership Agreements

Are you about to set up a business with another person or company Or are you already in business but considering going into partnership or already in a partnership? Do you want to know whether you need an agreement and if so what should be in the agreement?

Attend this training delivered by a solicitor and you will find out:

- **The duties and responsibilities of partners**
- Ownership and management– who owns what and who is doing what?
- **Profit/loss sharing**
- Retirement and death
- **Partners' pay and pension Rights**
- Restraint of trade
- **Indemnity**
- Introducing new partners
- **Duration and dissolution of a partnership**
- What to do when things go wrong
- **Where to get further help**
